

adaptive frameworks

MoV® (Management of Value) Foundation Course

Audience

The course is directed at individuals concerned with maximizing the value of investments in portfolios, programmes and projects whether this is from a monetary or non-monetary perspective.

It is therefore directed at persons responsible for any of the following

- prioritising initiatives in a portfolio, programme or project office,
- providing project assurance
- concept exploration
- review of Business Cases

Objective

The Foundation Course will enable delegates to:

- Appreciate the MoV principles and processes.
- Understand the concepts of value engineering.
- Apply MoV techniques to projects and programmes to maximise value for money.
- Plan an organisation-wide implementation of MoV.
- Undertake the internationally recognised APMG Foundation Exam.

Topics

- Introduction to MoV
- Principles
- Processes
- Techniques – both MoV specific and other useful techniques
- Approach to Implementation
- The MoV Environment
- Embedding MoV

Duration

2.5 days running 9.00am to 4.30pm, (½ day running 9.00am to 11.00am on the last day.) Morning, afternoon tea and lunch is provided on full days.

Pre-Course Preparation

Participants will be provided with a copy of the Management of Value text and some other information prior to the course. At least the introductory chapters should be read prior to attendance.

Course Materials

- Text Book: *Management of Value* published by the OGC (Provided to delegates before the course commences for pre-reading.)
- Comprehensive course notes including a case study and sample examination papers
- MoV Process Map
- Shoulder Satchel

Examination

The Foundation examination will take place on the morning of day 3 and runs for 40 minutes. The trainer will mark the examinations and provide your result at the conclusion of the course.

adaptive frameworks

MoV® (Management of Value) Foundation Course

Adaptive Frameworks are industry leaders in pass rates for examinations. Our Guarantee:

Delegates who are present for more than 80% of the course will pass the Foundation exam. In the unlikely event of failure, further coaching and a second exam will be available free of charge.

Pre-Requisites

None.

Cost

MoV Foundation: \$1,490 (ex GST)

Adaptive Frameworks offer the best value for money in MoV training. All pricing is inclusive of text book, course materials, examination fees and catering – no surprises or extras to pay.

Multiple Delegates: Discounts apply for more than 1 delegate booking on the same course. For more than 6 delegates an in-house course can be offered more economically, please contact us for details.
