

adaptive frameworks

MSP® Managing Successful Programmes Foundation Course

Audience

Personnel involved in programme management, but not necessarily in a leading role, programme support office staff being a good example, and in some cases; business executives sponsoring a programme or business change managers.

Objective

To understand the benefits provided by programme management and the specifics of the MSP principles and processes

Topics

- Identify the aim of the programme and envisaged benefits to the organisation
- Define the programme and specify how the organisation will be different afterwards
- Establish the programme Governance processes
- Keep up to date information which tracks the continually changing environment
- Monitor and co-ordinate the projects within a programme to a successful conclusion
- Manage the transition between the 'old' and 'new' ways of working.
- Realise the benefits
- Close the programme and ensure the 'end goal' has been achieved

The same basic course is presented to all levels of delegates. Not everyone wishes to undertake the accreditation examinations but simply to gain an understanding of the fundamental principles of programme management.

Duration

3.5 days running 9.00am to 4.30pm, (½ day running 9.00am to midday on the last day.)
Morning, afternoon tea and lunch is provided.

Pre-Course Preparation

Approximately 2 hours of reading from the course text book is recommended to delegates before the course commences.

Course Materials

- Text Book: Managing Successful Programmes published by the OGC (Provided to delegates before the course commences for pre-reading.)
- Comprehensive course notes including a case study and sample examination papers
- MSP Process Map
- Shoulder Satchel

Examination

The Foundation examination will take place on the morning of day 4 and runs for 1 hour. The trainer will mark the examinations and provide your result at the conclusion of the course.

Pre-Requisites

None.
