MSP® Senior Management Briefing

Audience

Senior managers with responsibilities to implement organisational change and or large programmes of work consisting of multiple projects for strategic purposes. The fundamental principles and key concepts are covered in this half-day presentation.

Objective

To provide a comprehensive overview of the principles underlying MSP and its use in achieving strategic objectives. Delegates will understand the framework through which change can be directed and the prioritisation and integration of projects to achieve efficient resource allocation and gain an understanding of the benefits provided by programme management.

Topics

- Understanding of Programme Management
- Appreciation of the differences between Programmes and Projects
- The Programme Lifecycle
- Programme Principles
- Organisation & Leadership
- Governance
- Benefits

Topics may be altered on request to suit the audience.

The briefing will consist of a short presentation followed by a discussion and an opportunity for questions.

Duration

4 hours, usually running 9.30am – 1.30pm
