

## PRINCE2<sup>®</sup> Practitioner Course Online

Adaptive Frameworks have an exclusive Australian license for the fully accredited Avion WBT PRINCE2 course and support this with delegates having the ability to take exams with Adaptive Frameworks in any of 5 Australian cities at their convenience.

The course is a comprehensive computer-based training (CBT) course for PRINCE2, consisting of 27 multimedia lessons and a number of extras to help you learn PRINCE2. The Foundation course currently has a 100% pass rate.

### Audience

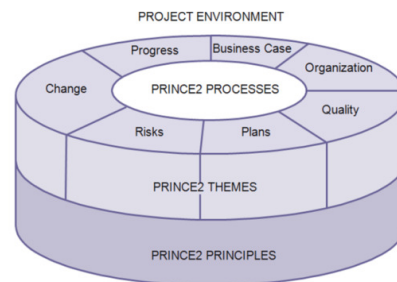

Project Managers requiring an understanding of a formal project management methodology and an internationally recognised qualification. Managers seeking to improve project performance in delivering business outcomes. Typically delegates are working in project support roles or have some project management experience. The online course is suitable for delegates who are unable to attend a classroom course due to location, accessibility or work and family commitments.

### Objective

To cover the complete syllabus for PRINCE2 and to provide a firm grounding in the sensible application of the project management method. Delegates will be able to confidently take the PRINCE2 Foundation and Practitioner Examinations.

### Topics

- Introduction to Project Management
- Overview of PRINCE2 and the 7 Principles
- The Process Model
- Business Case Theme
- Organisation Theme
- Quality Theme & Quality Reviews
- Plans Theme and Product-based Planning
- Risk Theme
- Progress Theme
- The Change Theme
- Project Start Up
- Initiating a Project
- Controlling a Stage
- Managing Product Delivery
- Managing Stage Boundaries
- Closing a Project
- Directing a Project
- Applying PRINCE2

### Duration

The standard enrolment for the online Practitioner course is four months, the system will send an automated email reminder when you have 1 month remaining and when your course is about to expire.

You should allow a minimum of 35 hours study time to complete this course, including revision and review time. We suggest that you plan your study time as is convenient to you, perhaps over 4 to 6 weeks

### Pre-Course Preparation & Trainer Support

No pre-course preparation is required to commence the course. In preparation and prior to sitting the Practitioner exam participants can request individual support from a member of the Adaptive Frameworks team.

## PRINCE2® Practitioner Course Online

### Examination

---

The Foundation & Practitioner examinations are available in 5 capital cities around Australia and run regularly as part of our public classroom courses. The foundation examination sessions take place on a Friday morning and will run from 9am to midday. The Foundation examination runs for 1 hour and the trainer will mark the examinations and provide your result at the conclusion of the course.

The Practitioner examination sessions take place on a Monday morning and run for 2.5 hours. Exams will be marked by the APMG Australasia and results are available within 2 weeks. Private exam sittings are also available if required for both of the exams, please contact us for more information.

### Pre-Requisites

---

There are no pre-requisites to enrol on the on-line course however a pass in the Foundation exam is required before attempting the Practitioner exam.

### Technical Requirements

---

The online course is an "anytime, any place, any pace" system that is flexible, convenient and lets you work when you choose, at any place where an Internet connection is available.

The online system can be run using a Windows or Mac machine on Internet Explorer (at least version 6), Google Chrome and Firefox 3. The system may function on other browsers however this is not recommended or supported.
